ProTrain, LLC, Opens Career Pathways Institute in Raleigh

ProTrain, LLC, a national educational leader is pleased to announce that they have leased new classroom space from the North Carolina National Guard Association in Raleigh where their new Career Pathways Institute (CPI) will open in September.

CPI will offer on-site career training in the IT and Allied Health fields, among others. Following the ProTrain spirit of "Education-2-Employment," CPI students will be trained in high-demand portable career fields and upon completion, will be assisted in job placement through GradCast, giving them access to 675K+ industry specific employers that are hiring across the US.

"We are thrilled that we are able to provide this high-quality training opportunity to the people of Raleigh and surrounding areas," said ProTrain CEO Betty Gardner.

In addition, members of the North Carolina Guard Association will receive a 10 percent discount when they register for training with CPI.

For more information on CPI, call 844.235.9108.

"A relationship with ProTrain fits well with NCNGA's strategic plan to offer opportunities and enhancements to our 16,000+ members across North Carolina," said Craig Lloyd, Executive Director NCNGA.
