4-H National Mentoring Program

4-H YOUTH FUTURES
COLLEGE WITHIN REACH

College Within Reach of North Carolina 4-H National Mentoring Program

The **College Within Reach 4-H National Mentoring Program** focuses on building relationships and college and workforce preparedness for military-connected youth between the ages of 12-17. Participants will be matched with mentors who share common experiences and interests while exploring topics such as college and career readiness, college application processes, academic and career goal setting, and creating sustainable plans leading to long-term success!

STUDENTS WILL GET TO

- Participate in engaging group activities
- Build your social and professional network
- Learn about various personal and professional topics
- Work with a mentor selected specifically for you
- Prepare for college and/or career
- Explore college and career opportunities
