VIRTUAL WRITING

Writing for Hope

Over the course of six weeks, participants will explore their hopes, experiences, and struggles through expressive writing exercises capturing significant life events.

Writing for Truth

This advanced writing class offers exercises to discover significant personal themes, exploring what has shaped impactful life experiences to uncover your core truths.

Writing for Grief Workshop

Through thoughtful writing suggestions and mindfulness-based exercises, this 1.5 hour workshop offers a nurturing, uplifting space to explore personal experiences of loss.

Writing through Burn-Out Workshop

Through thoughtful writing suggestions and mindfulness-based exercises, this 1.5 hour workshop offers a welcoming space to explore feelings and experiences connected with "exhaustion of physical or emotional strength...usually as a result of prolonged stress or frustration," (Merriam-Webster dictionary).

WOODWORKING

Woodworking at Maker's Space

Are you interested in learning woodworking basics or already have woodworking experience? This course is designed to teach each student at their particular skill level. No experience necessary.

METALWORKING

Metalworking at ShopSpace

Metalworking will focus on providing veterans with a 3-week series of classes focused on the techniques core to all forging with fire and anvil.

CLAY WORKSHOP

Clay Workshop by Peter Rubino

Using a fresh and intuitive sculptural language, Veteran and master sculptor Peter Rubino will lead you on a technical and artistic journey towards understanding the dynamic and creative forces in sculpting a portrait in clay.
